### *New Church Directory*

You have been requesting a new directory containing photos of members and the process is finally in the works. We will use the updated Servant Keeper software to make our own directory in house.

If you haven't already done so, please check your Narthex mailbox for a form requesting updated information & note any changes on the form. The completed forms can be put in a plastic container labeled with PWC Directory Information Update on the counter across from the mailboxes.

As you know, as part of our shepherding program, every member is assigned to a Hands in Harmony team. The new directory will include which team you are assigned to. Even shut-ins are on teams, because they are part of our church family and our shepherding program.

If you have any questions, please contact Betty Keeney, Hands in Harmony Chairman at 223-1486.
